=============================================
             Programmer Details
=============================================
Name                : Ganesh Gupta
Age                 : 21
Gender              : Male
Experience          : 1 years
Position            : Full Stack Web Developer
Salary              : 400000.00
Remote Working      : Yes

Development Environment:

=============================================
        Development Environment Details
```

```
================================================
Operating System          : Ubuntu
IDE                       : IntelliJ
Version Control System    : Git
Build Tool                : Maven
Database                  : MySQL
Testing Framework         : JUnit
Deployment Environment    : AWS
Code Analysis Tool        : SonarQube
Logging Framework         : Log4j
Virtualization Tool       : Vagrant
================================================

Process finished with exit code 0
